Hornady
SECURITY™

READ THIS FIRST

Warning: NEVER store a loaded firearm in the Hornady Security™ TriPoint™ lock box under any circumstances. The risks associated with storage of a loaded firearm include, but are not limited to, unintentional discharge upon insertion or removal of the firearm. Unintentional discharge may result in bullet and safe fragments dispersing in multiple directions, which may cause serious injury or death. Hornady Security™ is not liable for any misuse of the TriPoint™ lock box.

Warning: No safe, or lock box is entirely secure. The TriPoint™ lock box is only as secure as your maintenance of the keys. You are solely responsible for maintaining your keys. Keep your keys in a secure location at all times. Store your TriPoint™ lock box in a secure location away from your keys. Hornady Security™ is not liable for unauthorized access, including damage to, or loss of property, or personal injury. Again, NEVER store a loaded firearm in your Hornady TriPoint™ lock box, as this may result in unauthorized access to the loaded firearm.

Warning: Except as expressly provided in the TriPoint™ lock box Limited Warranty, Hornady Security™ is not liable for any expense or damage associated with your inability to open the TriPoint™ lock box. Verify that the keys furnished operate the lock. Keep your keys in a secure location at all times. For your security, Hornady Security™ WILL NOT send replacement keys.

Warning: Hornady Security™ is not liable for any loss, theft, or damage to personal property. The TriPoint™ lock box is not intended to protect the contents from fire, water, humidity, or other environmental conditions. Do not, under any circumstances, return the TriPoint™ lock box to Hornady Security™ with any personal property inside.
