The following is the formula I use when making my Liver / Gallbladder / Pancreas Formula Tincture. Use 100 proof Vodka or a 50% alcohol mixture for your extraction.

As with all my formulae, a part is a part by volume and not by weight unless otherwise specified.

Liver / Gallbladder / Pancreas Formula

- 1 - Part Oregon Grape Root
- 1 - Part Gentian Root
- 1 - Part Wormwood Leaf and Flower
