

P R E F A C E

This field manual (FM) provides the doctrine and the tactics, techniques, and procedures required for the operation of the medical company. It is intended for use by the medical commander and his staff.

The proponent for this manual is the United States (US) Army Medical Department Center and School. Submit comments and recommendations for the improvement of this publication on Department of the Army (DA) Form 2028 directly to the **Commander, US Army Medical Department Center and School, ATTN. HSMC-FCD-L, Fort Sam Houston, Texas 78234-6175.**

Unless this publication states otherwise, masculine nouns and pronouns do not refer exclusively to men.

The staffing and organizational structure presented in this publication reflects those established in living tables of organization and equipment (LTOEs). However, such staffing is subject to change to comply with manpower requirements criteria outlined in Army Regulation (AR) 570-2 and can be subsequently changed by your modified table of organization and equipment (MTOE).

This publication implements and/or is in consonance with the following North Atlantic Treaty Organization (NATO) International Standardization Agreements (STANAGs), American, British, Canadian, and Australian (ABCA) Quadripartite Standardization Agreements (QSTAGs), and Air Standards (Air STDs)

Title	STANAG	QSTAG	Air STDs
Marking of Military Vehicles	2027	512
