(Other exchanges can be used by local phone companies - New Jersey Bell, Mountain Bell, etc.)

So for the record, don't use 800-877-8000 (US Sprint) or 800-950-1022 (MCI) illegitimately. 800-345-0007 (US Sprint) and 800-624-1022 (MCI) are much less dangerous.
