Well, there it is. This is the largest payphone listing ever made, although I only know of two others. Now I'd just like to list what you can do with this list.

5 Uses for a Payphone List
=====

- 1) Bring interest people (from different areas) into conferences.
- 2) Meeting that special person through polite conversation at a payphone.
- 3) Prank calls, abusive language, or something to do when you are bored.
- 4) Hostage negotiations.
- 5) Anything you want!

I hope that this list will be of some interest to you. I am available for comments on several BBS's. Please contact me if you have any info or questions. With this vast amount of numbers, there is a certain amount of error that is involved. The majority of all numbers should be correct.
