

# DEALIST.TXT

The following list contains frequencies used by the U.S. Customs Service and the DEA in their drug interdiction efforts. This list was compiled by David Ross and is via the February DX Ontario by way of Glenn Hauser's World of Radio <3/9/89>.

2808.5	X-ray Alpha	11246.0	
4500.0	Zulu Alpha	11288.0	Yankee Delta
4991.0	X-ray Bravo	12222.0	Zulu Delta
5058.5	X-ray Charlie	13312.0	Yankee Echo
5277.0	Alpha	14350.0	Lima
5571.0	Yankee Bravo	14686.0	Papa
5841.0	Bravo	14690.0	Golf
7300.0	Charlie	15867.0	Zulu Echo
7527.0	Zulu Bravo	15953.5	X-ray Foxtrot
7657.0	Foxtrot	16141.0	HORNET 4
7778.5	X-ray Delta	17601.0	X-ray Golf
8912.5	Yankee Charlie	18666.0	Hotel
9238.5	X-Ray Echo	19131.0	
9497.0	Delta	23403.0	Romeo
9802.0	Zulu Charlie	23675.0	India
11076.0	Echo		

Many of these frequencies are new to me. I have monitored activity on:

5571.0 8912.5 11076.0 11288.0 12222.0 14686.0 18666.0 and 23403.0

All of these can stay pretty active, lower frequencies at night and higher by day. Punch these into your rig's memories and keep this list handy in case the activity shifts to one of the lesser used frequencies.
