Contract Test Sites on File as of
October 1, 1990

The following firms have submitted the information required by Section 2.948 of the FCC Rules for measuring specific types of devices subject to the requirements in Part 15 and have indicated that they are available to the public on a contract basis.

This list is provided as a public service. IT IS YOUR RESPONSIBILITY TO SELECT A FIRM THAT IS CAPABLE OF MEASURING YOUR SPECIFIC DEVICE. The FCC takes no responsibility regarding the capability of these firms for performing the required measurements. Accordingly, firms on this list should not advertise or otherwise imply FCC approval of their site. An up-to-date listing is available by computer on the FCC's Public Access Link at 301-725-1072. Questions concerning this list may be directed to (301) 725-1585.

* Firm is accredited by the National Institute of Standards and Technology
