

MISCFREQ.TXT

Here's a few government freqs to listen to if you've got nothing better to do.

The first 13 are U.S. Army Corps of Engineers frequencies, and a comment, if there's one worth saying.

1: 3345.0 USB  
2: 5015.0 USB  
3: 5327.5 USB  
4: 5400.0 USB  
5: 5437.5 USB  
6: 6020.0 USB  
7: 6785.0 USB  
8: 9122.5 USB 11:00 AM Fridays Division-Division Net starts here  
9: 11693.5 USB  
10: 12070.0 USB  
11: 12267.0 USB  
12: 16077.0 USB  
13: 16382.0 USB Division-Division Net usually comes here, 11:20 AM

FEMA (Federal Emergency Management Agency) frequencies

5211.0 USB  
10493.0 USB I haven't heard anything on these, but I know they were used during the San Francisco earthquake.

Army frequencies -- regular service people.

7930.5 USB  
23740.0 USB

Maybe these'll give a bored eavesdropper some pleasure!
