

Homemade Soap #3

5 cups coldwater

Add: 1 can lye

When lukewarm, add:

1/2 cup borax

1/2 cup ammonia

Stir thoroughly. Then add 25 cents worth
of sassafras oil. Stir in 11 cups of lukewarm
fat and keep stirring for 10 minutes until
mixture resembles thick butterscotch. Pour into
container; allow to harden 36 hours. Cut into bars.
