These off the grid hacks aren't exactly new, but I am certain at least some of them will be new to you.

The best part is — they really do work.

With all the work, time and effort that goes into homesteading, it's important to take every opportunity to make your life a little easier.

([HTTP://SURVIVALLIFE.COM/](http://survival.life))

([HTTP://WWW.GANDERMOUNTAIN.COM/](http://www.gandermountain.com/))

That's exactly what these off the grid hacks will do.

## Survival Life Contributor (http://survivallife.com/author/survival-life-contributor/)

At Survival Life our mission is to be the best survival blog providing a vast array of knowledge, tactics, and skills in the survival and preparedness fields, to any and all who wish to become more prepared for whatever may come. We will take a logical and no nonsense approach to survival without bias in hopes of dispelling the myth that anyone who prepares themselves is crazy or paranoid. Our goal is to be the ultimate one stop destination for anyone that has an interest in or questions regarding survival and preparation. We strive to maintain a truthful and unbiased compendium of knowledge, both in original content, product reviews and survival tips, as well as curated articles from other top survival websites.

ABOUT

**SURVIVAL LIFE** (<http://survival.life>)

At Survival Life our mission is to provide a vast amount of knowledge, training, and skills in the survival and preparedness fields, to any and all who wish to become more prepared for what may come. We will take a logical and no nonsense approach to survival without bias in hopes of dispelling the myth that anyone who prepares themselves is crazy or paranoid.

 (<http://www.avantlink.com/click.php?tt=CL&MI=10248&PW=189398&CTC=TAB&URL=http%3A%2F%2Fwww.rei.com%2F>)

 (<http://www.cabelas.com/>)

Our goal is to be the ultimate one stop destination for anyone that has an interest in or questions regarding survival and preparation. We strive to maintain a truthful and unbiased compendium of knowledge, both in original content, product reviews, survival tips, as well as curated articles from other top survival websites.
