With all the chaos going on in the world right now, it's important to think about creating some **DIY email&booby traps for the home.**

Why?

Because lately it's seemed that the world is going to hell in a handbasket. Policemen are being shot, terrorist attacks are happening right and left, and the people of our once great nation are turning against each other right and left. And it doesn't seem like things are going to get better anytime soon.
